"Appreciations can make a day, even change a life. Your willingness to put it into words is all that is necessary."

Tribes Activity: "I Cherish..."

Try this activity next time you are sitting around the dinner table! Each person takes a turn to share what they cherish in their life. This can be a physical item such as a family heirloom, or a person that is important to you. It is also important to talk with others about what we cherish in our lives and to be grateful for the things and people in your life.

This month's Tribes Agreement is Appreciations. Throughout this holiday season, TAOTS will be reflecting on what we are thankful for in our lives. As a school we will be contributing to our community bulletin board by creating an opinion writing piece based on what we are thankful for.
