

Kindergarten

Weekly Newsletter: Week of October 10, 2017

Check Out What We're Learning:

Science: Students will explore parts of pumpkins.

Writing: Writers will begin to publish their writing by looking at a checklists and recalling strategies.

Reading: Readers will continue reading their old favorite storybooks by paying attention to character feelings and making their voice match the characters.

Word Study: In word study, we will be exploring the letters Mm and Rr.

Social Studies: Students will continue learning about roles and the responsibilities that everyone has in our school community.

Math: Students will continue to explore 2 dimensional shapes by creating different objects using different shapes.
